

CDC QUEENSLAND

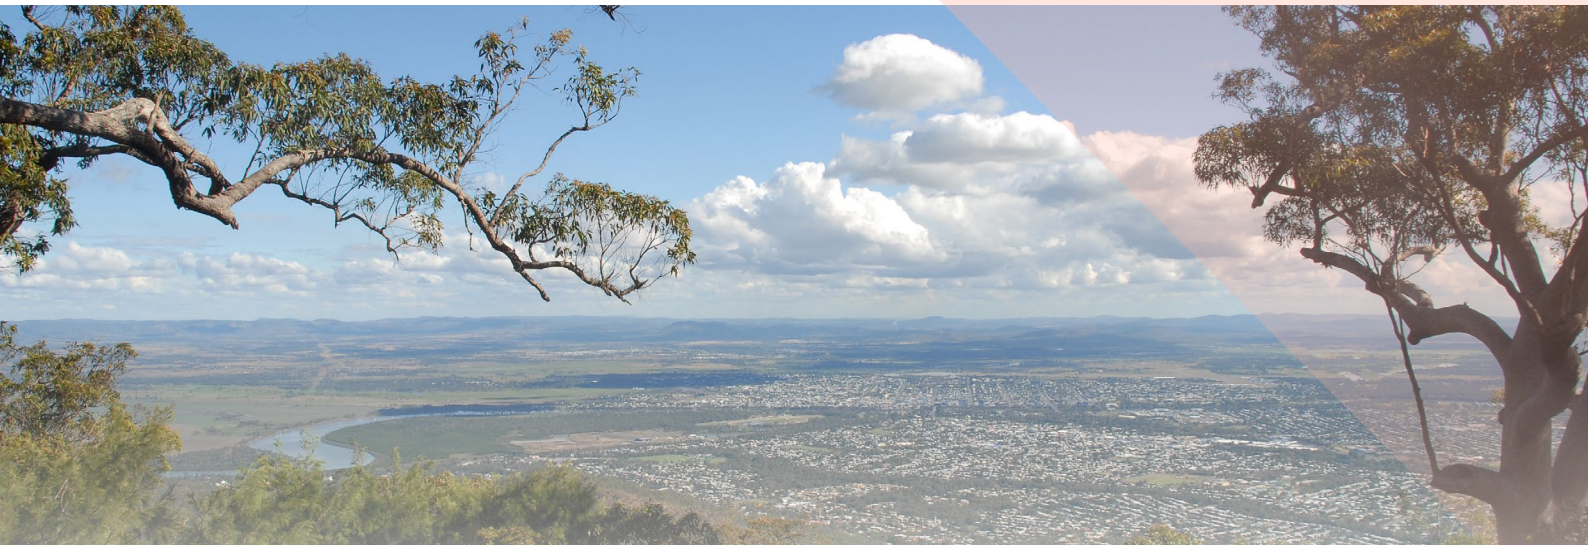

We know charter

CDC Queensland charter services provide professional, safe, and reliable bus and coach transport services across Rockhampton and outer regions.

Whatever the occasion, requirement or need, we believe in putting our customers first.

Our charter bus services specialise in local and international tour groups, school excursions and camps, weddings, sporting, and special event transfers, as well as expert workforce solutions in the mining, resources and industrial sectors.

CDC Queensland, operators of Rothery's Coaches and Young's Bus Service, proudly serves the local community through urban, school and charter services.

Centrally located, and synonymous with a region that is on the move, CDC has grown to become one of Central Queensland's largest coach and bus operators, offering a highly personalised service, modern fleet and experienced drivers.

CDC's expertise in tailored transportation solutions in the mining, resources and industrial sectors is backed by a reputation for impeccable safety standards, on-time delivery, and an unwavering commitment to service excellence.

PARENT COMPANY & OWNERSHIP STRUCTURE

ComfortDelGro is an international multimodal provider of land based passenger transport services.

Commencing in Singapore in 2003 with the merger of Comfort Group and DelGro Corporation, ComfortDelGro today operates over 40,000 vehicles and employs over 22,600 employees in 12 countries including Australia, New Zealand, China, Malaysia, United Kingdom, Ireland, France, Spain, Portugal, Greece and the Netherlands.

CDC IN AUSTRALIA

ComfortDelGro entered the Australian market in 2005 by acquiring the Westbus Group in Sydney, New South Wales. Since 2005, we have grown steadily to become one of Australia's leading transport providers, including one of the nation's largest bus operators.

ComfortDelGro Australia (CDC) operates more than 12,000 vehicles and employs over 5,700 staff in seven states and territories. CDC's Australian businesses include buses, taxis, and non-emergency patient transport services.
